

## Sculptor Acquisition Corp I Announces Liquidation

**NEW YORK** – May 26, 2023 – Sculptor Acquisition Corp I (NYSE: SCUA) (the “Company”) announced the following today:

- The Company anticipates it will not consummate an initial business combination within the time period required by its Amended and Restated Memorandum and Articles of Association.
- Accordingly, the Company intends to dissolve and liquidate in accordance with the provisions of its Amended and Restated Memorandum and Articles of Association.
- As part of that dissolution and liquidation, the Company will redeem all of the outstanding Class A ordinary shares that were included in its initial public offering (the “Public Shares”) at a per-share redemption price of approximately \$10.52.

“In light of current market conditions and available target opportunities, we have determined that it was in the best interest of the Company’s shareholders to return the capital held in trust. We appreciate the SCUA shareholders who have supported us over the past eighteen months,” said Steven Orbuch, Chief Executive Officer of the Company.

As of the close of business on June 8, 2023, the Public Shares will represent the right to receive the redemption amount. Upon redemption such Public Shares will be deemed cancelled.

In order to provide for the disbursement of funds from the trust account, the Company has instructed the trust account’s trustee to take all necessary actions to liquidate the trust account. The trust account’s proceeds will be held in a non-interest bearing account while awaiting disbursement to the holders of the Public Shares.

Record holders may redeem their shares for their pro-rata portion of the trust account’s proceeds by delivering their Public Shares to Continental Stock Transfer & Trust Company, the Company’s transfer agent. Beneficial owners of Public Shares held in “street name,” however, will not need to take any action to receive the redemption amount. The redemption of the Public Shares is expected to be completed on June 9, 2023.

The Company’s initial stockholders have waived their redemption rights with respect to its outstanding ordinary shares issued before the Company’s initial public offering.

The Company expects that the New York Stock Exchange will file a Form 25 with the United States Securities and Exchange Commission (the “SEC”) to delist its securities. The Company thereafter expects to file a Form 15 with the SEC to terminate the registration of its securities under the Securities Exchange Act of 1934, as amended (the “Exchange Act”).
